HOW TO REGISTER AS A MEMBER OR CUSTOMER

1. USING A REFERRAL LINK:

If someone referred you, they may have provided you with a referral link to register. If you haven't received one, please reach out to your referrer and request the link to proceed with your registration.

2. NO REFERRAL:

If you weren't referred by anyone, you can request a referral link from our support chat team. Once you have the link, you can continue with the registration process as either a Member or a Customer..

3. MEMBER REGISTRATION:

Registering as a Member allows you to join our community, promote the Nummus Project, and earn rewards for your contributions.

4. CUSTOMER REGISTRATION:

Registering as a Customer allows you to purchase the Nummus Token and enjoy its many benefits.
